

## **WORKSHOP ON DITRIC INFORMATION SEM FOEDUCATON (DISE)**

### **TIME-TABLE**

#### **Day 1**

0930 – 1000 hrs.	Registration
1000 – 1100 hrs.	Inauguration
1100 – 1130 hrs.	Management / Implementation issues of DISE
1130 – 1230 hrs.	Installation of DISE, Oracle with H/W and S/W specification Database Organization – Oracle Configuration, User, Table, Rollback segment creation
1230 – 1330 hrs.	School Database - Codification, Data Entry, Data Consistency, Supplementary variables, Multi-System functions, merging data from multiple machines
1330 – 1415 hrs.	Lunch break
1415 – 1515 hrs.	DISE Reports, Data compilation, Reporting system, Reports interpretation, Retrieval combinations and constraints,  DISE Export Utility – Exporting district level data for single year to state level or from one system to another and vice-versa
1515 – 1700 hrs.	Hands on practice
1700 – 1730 hrs.	Discussion on Organization, School database, Reports modules

#### **Day 2**

0930 – 1130 hrs.	DISE Analysis – Generating queries, using custom queries, generating, analyzing and interpreting cross tabulated outputs,  DISE Graphics – Generating charts/graphs based on School/teachers/enrolment/building/equipment data, analyzing and interpreting charts,  DISE Designer – Generating customized database tables on district/block/village/cluster/school level
1130 – 1330 hrs.	Discussion & Hands on practice on Analysis, Graphics, Designer
1330 – 1400 hrs.	Lunch break
1415 – 1600 hrs.	Hands on practice
1600 – 1630 hrs.	Dissemination / usage of DISE data
1630 – 1700 hrs.	Finalization of State Level action plan
1730 hrs.	Feedback on DISE and valediction
